

This is played on a baritone guitar but to play on a normal guitar you have 2 options:

1. Tune down every string by 5 notes (so you will have the tuning from high to low string B F# D A E B)
2. Take every note from tabulature and go down with it 5 notes, so let's you have the 4th fret on the B string, go down with 5 notes and you will have the 4th fret on the G string

Silence - Marshmello
