Intro

#### Additional Lyrics

- 3. Well now, you say you're not getting enough,
  But I remind you of all that bad, bad, bad stuff.
  So what the hell am I supposed to do?
  Just put a bandaid on it?
  And stop the bleeding now.
  Stop the bleeding now.
- 4. I know I hurt you then,
  But hell, that was way back when.
  Well, do you still have to carry that cross? (drop it)
  Don't want to hear about it.
  I'm losing you.
  I'm losing you.
  Don't want to lose you now.

#### **Instant Karma**

Words and Music by John Lennon

### Additional Lyrics

3. Instant karma's gonna get you;
Gonna knock you off your feet.
Better recognize your brothers;
Every one you meet.
Why in the world are we here?
Surely not to live in pain and fear.
Why on earth are you there?
When you're everywhere,
Come and get your share.

### #9 Dream

#### Words and Music by John Lennon

Additional Lyrics

Dream, dream away.
 Magic in the air, was magic in the air?
 I believe, yes I believe.

More I cannot say, what more can I say?

On a river of sound,
Thru the mirror go round, round.
I thought I could feel, feel, feel, feel
Music touching my soul, something warm, sudden cold.
The spirit dance was unfolding.

Additional Lyrics

People asking questions, lost in confusion.
 Well I tell them there's no problem,
 Only solutions.
 Well they shake their heads and they look at me As if I've lost my mind.
 I tell them there's no hurry;
 I'm just sitting here doing time.

The Strum It series lets players strum the chords and sing along with their favorite hits. Each song has been selected because it can be played with regular open chords, barre chords, or other moveable chord types. Guitarists can simply play the rhythm, or play and sing along through the entire song. All songs are shown in their original keys complete with chords, strum patterns, melody and lyrics. Wherever possible, the chord voicings from the recorded versions are notated.
